

OLDCASTLE PRIMARY SCHOOL

INSPIRE - MOTIVATE - EDUCATE

Goreu Cam, Cam Cyntaf - The most important step is the first step

School Communication

School App

As a school we use a communication app to provide up to date information to parents. We recommend that you download the app by following these steps.

- To download '**The School App**' simply go to the Play store (Android) or App store (Apple).
- Once downloaded open the App and type in Oldcastle Primary School to choose our school.
- Please allow notifications from the app to receive communication

We will also send emails directly to you via our website and will use this method to communicate where appropriate. You will receive emails from 'notifications@primarysite.net' so please add this user to your approved senders as it may well appear in your junk folder if not added.

Please let us know if you change your email address or mobile number.

Parent Pay

Payments for school trips and other school activities will be made through a 'Parent Pay' account. Registration details will be sent home once your child starts school.

Website and Twitter

We also regularly update our website with latest news and events and use our Twitter page @oldcastleschool and Facebook page as other communication tools.

Weekly Newsletter

A newsletter is issued weekly via email and the School App. The newsletter provides an update to parents on activities and news about Oldcastle Primary as well as important diary dates.

Please contact the school office if you require more information.
