

## Parent Governor Application Form

Governing bodies are essential to the success and continued improvement of today's schools. Are you interested in becoming a school governor? You will be provided with training and on-going support. For more information about the role please refer to our website.

Nominations are invited from all parents, or those with parental responsibility, of registered pupils at the school. If you wish to nominate yourself, please submit a short personal statement of no more than 100 words and return it to the school by the closing date. Nominations received after this date will not be considered. Please email nominations to [ask@oldcastleprimary.co.uk](mailto:ask@oldcastleprimary.co.uk)

The term of office of a parent governor is four years from the date of appointment. A parent governor may serve out their term of office if their child leaves the school during the period of their term of office. If there are more nominations than vacancies, a secret ballot will be held.
